If YES, by what company and in what capacity? (position)

If NO, where are you currently employed?

PROGRAM QUESTIONS

1. How much knowledge do you feel you have about the oil and natural gas industry? (check one)

Very Little Some Knowledge Moderate Highly Knowledgeable

Applicants must submit an essay answering the following questions with their application.

2. How did you hear about the PetroTech program?

3. Why are you pursuing a career in a petroleum-related field?

4. How do you feel the PetroTech program will benefit you?

5. Discuss why you are a good candidate for this program.

6. What are your plans after completing the program?

APPLICATION REQUIREMENTS

- Completed application with essays and transcript
- Two letters of recommendation (one from business/employer and one personal)
- Each student will be required to pass an online Windows Fundamentals test before beginning the program. If you are a scholarship recipient and do not pass this exam, you will be required to take a computer class before moving on with the program.

SUBMISSION DETAILS

- Applications are accepted continuously throughout the year.
- Please allow up to 4-6 weeks for your application to be reviewed from the time we receive all of your requirements.

GENERAL INFORMATION

- All courses must be registered for online and paid for with a credit card. You will not be charged until the first day of each class. Student manual will be sent to you prior to your start date.
- Once accepted to the program, students are placed in the next available group and will be contacted if an earlier start date is available.
- **The OERB PetroTech program is a technical training program. This is not a job placement program and the OERB is not responsible for career opportunities.**
- An exit survey will be required in order to complete your PetroTech certification.

PETROTECH SCHOLARSHIPS

Scholarships are available to PetroTech students on a limited basis. Students cannot be currently employed in the oil and natural gas industry.

Scholarship applicants must submit an essay discussing their need for financial assistance and why they deserve a scholarship for the PetroTech program.

Applications will be reviewed by a committee and scholarships awarded on availability, need, suitability of the applicant to the industry and the professional quality and content of the application.
